About the College

Kallam Haranadhareddy Institute of Technology (KHIT) was established by Kallam Academy of Educational Society in the year 2010. It has come up in an area of 10 acres with a built-up area of more than 2 lakh sq. ft. with lush green environment with an aim to impart quality education to students in Engineering & Technology. The college registered a phenomenal growth and today it stands as a premier institution offering engineering education at UG and PG levels.

In 2018 it had become the youngest college to have been accredited by the NBA and NAAC.

The college has a rich tradition of soaring high, with academic excellence & overall personal growth of students. This is achieved by providing excellent academic environment and infrastructure with the help of dedicated, highly qualified and experienced team of faculty members. The Institute offers B.Tech in ECE, CSE, EEE, CE and ME. and M.Tech in CSE, ME and CE.

About CSE Department:

The Department of Computer Science and Engineering started B.Tech course in 2010 and M.Tech (CSE) in 2012. The B. Tech program is accredited by NBA in 2018.

The department has well experienced faculty with right mix of specializations and highly skilled and motivated technicians to provide quality education to the students. A well established Research and Development laboratory with 35 high end computer systems.

Objective of Workshop:

The work is aimed at providing an opportunity for participants to enrich their knowledge and skill in developing various solutions for solving engineering problems in the society by using Cloud computing and Internet of Things.. This program serves as a Platform for research scholars, faculty, engineers and students to interact on cutting edge technologies in IoT.

Topics to be covered

1. Cloud Computing Basics
2. IOT Emerging Trends
3. Implementing IOT Using Node-Red and Aurdino

Target Audience:

1. III Year CSE, ECE UG/PG Students/
2. Faculty from Engineering Colleges.
